

### ***Take Me Home***

is intended to serve people with developmental disabilities and/or medical conditions that increase their risk of wandering off and becoming lost. Additionally, members of this group may not be able to identify themselves or provide accurate information to first responders about their immediate needs.

### **Why do we need**

### ***TAKE ME HOME?***

Members of our community who have developmental issues or medical conditions are sometimes reported to law enforcement as missing and/or “at risk.”

Due to their circumstances, they are often unable to identify themselves, their needs, or their caregiver’s information.

Via the **confidential** ***Take Me Home*** database, first responders across the region can access critical information about the immediate needs of an individual with special factors.

The system quickly and seamlessly provides crucial information about behavioral considerations, medical conditions, special care instructions, detailed description of the person and a photo. This information minimizes law enforcement response time, and maximizes search efforts.

## ***REGISTRATION IS FREE!***

**How do I register someone I care for?**

Register with ***Take Me Home*** by contacting the appropriate stakeholder organization based on the enrollee’s circumstances. Enrollment in the ***Take Me Home*** registry is free and easy. It requires submitting an enrollment form and a digital photo to the appropriate stakeholder organization. Participating organizations are listed below.

ARC of San Diego	619.685.1175

Expert organizations specialize in providing services and support to the various needs and challenges faced by many of our community members.

These expert organizations – both government and community based – exist throughout our region.

The offer of collaboration by stakeholder experts, The Deputy Sheriff's Association (DSA), Rapid Automatic Naming (RAN) Board and HDSA coordinated support for this secure, Sheriff-hosted application.

*Business and Community  
Leaders Dedicated to  
Making a Difference*

Funding and support of this program has been provided by HDSA, Rapid Automatic Naming (RAN) Board and DSA.
